### **Covid Procedures:**

- All coaches, spectators, & athletes will be required to have a mask on at all times except when competing or warming up. This includes in the team areas, cheering on the course, or running from the start area to the finish area.
- Sanitation stations will be spread throughout the facility.
- All teams should take their trash with them when they leave the facility.
- Upon arrival, spectators will be asked to do the following prior to entry to the meet facility:
  - complete the health screening questionnaire via this link - <https://rb.gy/78pdx1>
  - put on their mask upon exiting their car
  - visit the health screening tent prior to entering the venue where they will have their temperature checked
  - observe social distancing measures

### **Other Info:**

- Teams should provide five representatives to help their athletes in the finish chutes. This will allow the meet host to limit the exposure of athletes to coaches & parents of their respective teams. Each team’s head coach will provide these representatives with a pass from their coach’s packet, which will allow entry to the finish area.
